How to Use RIDE WITH GPS

1. Create a (free) account through **RIDE WITH GPS**
2. View our Event
3. Select **RSVP** and indicate that you plan to attend the event
4. Download **RIDE WITH GPS** on your mobile device
AVAILABLE AT
 
5. Sign into **RIDE WITH GPS** on your mobile device and select **My Events**; select your route distance

If you would like to have the route accessible...

via map, **not** utilizing navigation.

OPTION A

- Click **Route to View Map**
- Select **Download** icon in lower right corner
- Select **Save Map & Route** and click **Save**
- Select **Settings** from main menu, toggle **offline mode** (*which reduces battery use and ensures no data usage*)

via turn-by-turn navigation

OPTION B

- Click **Route to View Map**
- Click ellipses (...) in top right corner and select **Ride This**
- When prompted, click **Start**
