

**Weather Safety Policy:**

All running, walking and cycling Tour de La Porte events **will** be held rain or shine!

For the safety of all participants and volunteers, the race will **either have a delayed start or, depending on the intensity of the weather, be cancelled** if **lightning** is present in the area. The Event Management Staff, in coordination with the Fire Chief, will determine whether the event needs to be delayed or cancelled.

We will **announce on our website** ([www.tourdelaporte.org](http://www.tourdelaporte.org)) **and our Facebook** ([www.facebook.com/tourdelaporte.org](http://www.facebook.com/tourdelaporte.org)) if there is the need for a delay or cancellation. We will also make every effort to **text** all participants and volunteers. As there are multiple events on multiple days, make sure to check back often for updated information about the Tour de La Porte.

No refunds are available for the Tour de La Porte. Thank you for supporting the Cancer Patient Fund.
